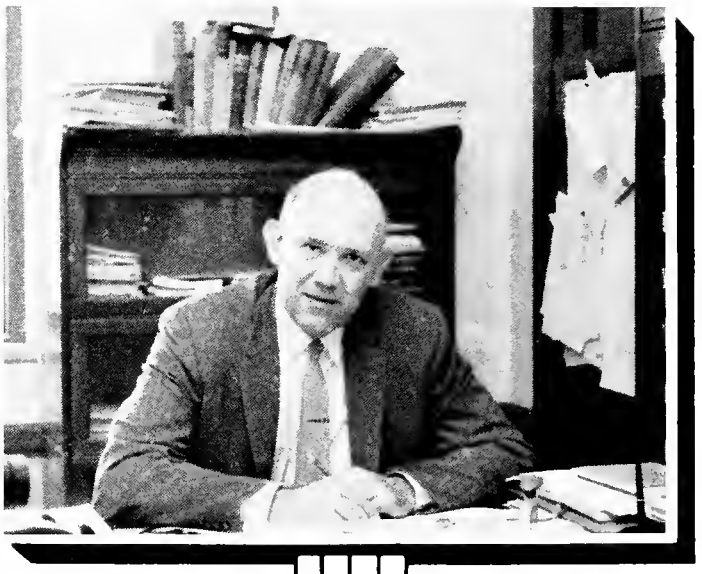
The Willow

1960

Willshire High School

WILLSHIRE, OHIO

Superintendent's Message



One of the moments of great satisfaction for a school administrator is the privilege of recommending that diplomas be granted to the graduating class.

We, as a faculty, shed tears of joy for the young men and women we see on the commencement stage. We have seen most of them mature into responsible, intelligent members of our society. We shed some tears of sorrow for those few who have refused opportunity and have not seen fit to accept the idea that each person has responsibilities to himself and to others.

We commend you, Class of 1960, to the future with the hope that each of you will continue to grow in social and moral stature.

Robert W. Games

Robert Games
